

ESA OFFICIALS TO BE APPOINTED AT AFFILIATED EVENTS

TD from the National TD Panel who has particular responsibility for all technical matters and ensuring that the event runs according to ESA Rules and Standards. The TD will be responsible for supervising the Assistant TD, and for submitting all necessary reports to ESA. The TD will also take responsibility for the higher classes offered by the Event.

Assistant TD from the Candidate National or National TD Panel. The Assistant TD will assume responsibility for the lower classes offered by the Event, and report to the TD.

Event Steward from the Candidate National or National Eventing Stewards Panel. Responsible for the correct scoring and time keeping of classes where no Ground Jury has been appointed, in conjunction with the relevant TD. Also to assist the TD's in making sure that athletes conform to ESA rules, and for the welfare of the horse.

Ground Jury from the Candidate National or National Ground Jury Panel. Responsible for the Judging of all three phases for CNC*, CNC** and CNC***. The President of the GJ must be from the National Panel. The other GJ member to be from the Candidate National or National GJ Panel. If numbers are low in the CNC classes, then the EV 100 classes could also be judged by the GJ.

Course Designer from the Candidate National CD Panel, for EV 90 and below, and from the National CD Panel for EV 100 and above.

Event Dressage Judges from Dressage SA's Judges Panels. For the judging of the lower grades Dressage. (Hopefully only needed until we have sufficient GJ Panel members)

NOTES

1. Lower classes(EV 60 – EV 100) to be run with Pure Dressage Judges for Dressage, relevant TD and Steward
2. Until GJ numbers increase, CNC* and CNC** might have to be run the same as in (1)
3. The idea of having an Assistant TD, is to share the work load of the traditional TD (inspecting and passing up to 6 or 7 XC courses is near impossible). Also an excellent way of bringing on inexperienced TDs, under the guidance of the Senior TD. The FEI will only permit a TD to be responsible for 2 courses/grades.
4. The Stewards role will be to assume most of the duties done by the Cross Country Judge, and some of an FEI Eventing Stewards duties.
5. Ground Jury members will continue to be drawn from the Dressage Judge ranks, as has happened up to now. It is highly unlikely that existing Eventing officials will start judging Dressage, in order to become GJ members.
