DESIGNATED PARKING for everybody at all times. Main horsebox car park only!!

The council do not want any vehicles on the XC course nor around the arena at any time (Saturday and Sunday) what so ever. This is the only way they can stop the public from “driving around” while horses are on the XC course.

Only officials who use their cars to judge (IE XC judge and TD) may bring vehicles beyond the car park.

Jump Judges and all other officials must please park in the allocated Car Park only and walk to their positions.

If a member of the public sees cars on the course they will copy.

CATERING FOR PUBLIC: Closer to Horse Box Parking so that no vehicles need to drive into the park.

SCOREBOARDS/RECORDERS – Closer to the Public Catering

Portable/Electric paddocks ARE Allowed (at your own risk) in the Parking area only. Not alongside the main arena or warm up arenas please!

SPONSORSHIP

This show we tried something new.... Instead of just collecting money we asked Sponsors if they could cover the costs of just one of our bigger show expenses- and perhaps that way, be able to "put it through their business?" For example The Parameds invoice including a Doctor for FEI classes – came to R7300, MaxMech Seals were invoiced directly for this and therefore sponsored us this way.

Thank you to the original sponsors who bought jumps a few years ago (+/- R5000 per obstacle) These have all been revamped and remain named after these original sponsors – see map legend for more details
