A fun fact about you & your horse (optional):			

Please pay the following registration fee:

Registration Rider	R100
Registration Horse (for each horse)	R30
Banking Details:	Gauteng Eventing Standard Bank Account Number: 426631072 4Ways Crossing: 009953

Please tick the below – Check List

I have sent Proof of Payment with Reg to eventersamateurleague@gmail.com	
I confirm that neither I nor the horse that I am competing on, have placed in any 1* competition in the last year or competed at 2* in the last two years or at 3* level ever.	
I confirm that I realise the organisers aren't psychic and will inform them if I would like to change level.	
For Pony and Junior Riders – SANESA rounds can't count towards the league	

Note: Funds from the registration fees are used exclusively to cover costs of prizes for the 15/16 Season Final.

GEAL RULES – 2014/15

- All Eventing SA and SAEF rules apply.
- Grassroots horse and rider combinations from Gauteng and other provinces are eligible to accumulate points by competing at the listed participating shows throughout the season. If either **horse or rider** have **placed** at any CNC or CIC1* in the last year OR competed in any CNC or CIC2* in the last two years OR ever competed in any CNC or CIC3* they will not be eligible to accumulate points.
- Points will be awarded at each event for first to twelfth places:

1st – 12 points	7th – 6 points
2nd – 11 points	8th – 5 points
3rd – 10 points	9th – 4 points
4th – 9 points	10th – 3 points
5th – 8 points	11 th – 2 points
6th – 7 points	12 th – 1 point

All qualifying rounds – 1 point

- There will be no back dating of points – rider combinations will appear on the Leader Board from the date they register with the league.
- Riders may enter the league on more than one horse. Points will be awarded to horse and rider combinations and are not transferable. Each combination must remain the same throughout the season although a change of rider is acceptable in certain cases, for instance because of injury, but not where the rider is substituted to gain points. If a rider combination

has accumulated sufficient points for two different levels (i.e. EV70cm and EV0) in one season, the rider can decide which level to enter for the final.

6. In the event of a tie in final scores at the Championship event, the horse and rider closest to the ideal time in the cross country phase in the championship event will prevail.
7. Adult Horse and rider combinations need to conclude at least three (3) season events at participating venues (listed below), as well as the Championship event at a venue to be decided in May 2016
8. Junior and Pony Riders need to conclude at least two (2) season events as well as the Championship event.
9. If a rider and horse combination changes levels during the season, participating in the other level may go towards qualifying for the Championship. i.e. If a Adult rider has completed two 70EV and one EV80, he or she may participate in the EV70 championship. Please note, any scores from levels other than the one you finally compete in will be counted as a qualifying round – i.e. no matter where the horse and rider combination was place you will receive 1 point for that round.
10. Participation in the Championship show is compulsory to place in the league. Riders can take the best two scores from any season shows to the final event. The winners in each category will be those with the highest accumulative score over three season events including the amateur championship.
11. While scoring will be managed and overseen by the committee, it is the rider's responsibility to register for the league, to inform the league committee of their participation in shows and to ensure their results are accurately captured on the league table.

Participating shows for 2015/2016 League:

1. Polo International 31st October/1 November
