Windsong Farm

Situated midway between PE and East London, offers 26 hectares of pristine bushveld, forestry and a dam. Cross country tracks are built on permanent grass/sandy soil offering good going all year around.

The natural dam in the centre of the property offers the opportunity to school your horses through standing water. The surrounding area offers the option of a 5km trail through bushveld and farmland.

36 shaded horse camps are available at R100 each as well as 5 stables at R200 each (all for both nights), reserved on a first come first served basis. Thereafter bring own camp facility. Please provide own fodder. Limited overflow stabling is available nearby, thereafter Bathurst Show grounds will provide stabling.

Self-catering accommodation is available nearby. Alternatively, camping sites at Windsong are available at R50 per person per night. Please see attached accommodation list.

Food and beverages will be available during the day – Saturday and Sunday, please support our caterers!

Dogs are welcome but must be kept on a lead as we are on a nature reserve
