The onus is on the Official wanting promotion to get together the required documentation and submit it.

A logbook, signed by a more senior Official, showing shows worked at and in what capacity must be kept and submitted to support the application for promotion.

Assessments for Provincial TD and CD must include at least one assessment by a National TD for TD or National or FEI CD for CD from a different Province. The candidate for promotion must be aware that he/she is being assessed.

TDs and CDs for promotion to National must have worked out of their Province and have assessments from National TDs for TD or National or FEI CDs for CD from different Provinces.

The “Panel” as envisaged in the Rules is:

- Provincial Level. The Provincial Eventing Council, who will use their knowledge and assess the documentation.
- National Level. A “Panel” of senior TDs chaired by the National Officials Portfolio Holder.

Documents should be submitted to:

- Provincial Level. Provincial Officials Portfolio Holder or direct to Council
- National Level. Officials Portfolio Holder
