WELCOME TO THE SPURWING HORSE TRIALS 2016

A warm welcome to all competitors, supporters and spectators to our annual SPURWING HORSE TRIALS. As usual a vast amount of effort and energy has gone into producing an event of the highest quality. Spurwing Horse Feeds puts this weekend together to support the promotion and upliftment of this wonderful sport, which requires such amazing co-ordination and trust between horse and rider in the three disciplines: dressage, cross-country and showjumping.

Particular thanks go to Priscilla Young, Colin Scott and to Tony Matchett for the considerable effort and attention to detail they put into designing and constructing the course and the manicuring of the grounds.

We are truly grateful for the wonderful support from the sponsors and to SAPPI Forests for the use of their land. We also are grateful for the support and enthusiasm of all the many volunteers without whom the event would not take place. We thank them for giving generously of their time.

To all those competitors who have traveled from far and wide to participate in this contest, we thank you all and wish you a safe and fun filled weekend. Spurwing Horse Trials is thrilled to host the Inter Provincials at this year's competition and we extend a special welcome to the Western Province, Gauteng, Eastern Cape and KZN team riders.

We hope everyone will enjoy the weekend and to the competitors, win or lose, enjoy your time in this lovely Karkloof Valley. And don't forget to reward your horses with a nice nutritious Spurwing snack!!

Sincerely from the Spurwing Horse Trials Committee : Mike Benson, Colin Scott, Philip Benson, Priscilla Young, Tony Matchett, James Arathoon, Gill Arathoon, Cindi Evans, Kirsty Horne, Lynsay Haresnape, Kerry Kee and Ingrid Benson.
