

# Registration Form

## Introduction to Eventing Workshop | 16 June 2017

What is it all about?

*Gauteng Eventing will be hosting a fun day of workshops and lessons to introduce new and novice riders to the exhilarating sport of eventing. Participants will have the chance to learn about the different aspects of eventing from established eventers and officials. This is the perfect opportunity for you and your steed to try out eventing in a safe space with established members of the eventing community.*

What makes eventing special?

*Known as a true test of horsemanship, eventing tests the skills of horse and rider over a variety of disciplines in a single competition. Competitors compete in three phases; dressage, showjumping and cross-country, usually over two days.*

### Who should attend?

- Riders of all ages with no prior experience of eventing who want to give it a try for the very first time – the day is designed to help you and your horse/pony kick start your eventing career.
- Adults, juniors and children currently eventing in 60s/70s or 80s looking to improve their knowledge and understanding of the sport – come and brush up your eventing skills with the support of the eventing community
- Parents of budding eventers – there will be a dedicated talk to help parents navigate the sport

*Do I need to have my own horse to take part in the day?*

Riders keen to take part in the afternoon lessons will need to transport their pony/horse to Fourways. If you can't get your pony/horse there, come along to the talk in the morning anyway to get an idea.

*What if I can't get my horse there on the day?*

Join us for the talk in the morning for an introduction to eventing – we'll be happy to answer any questions you have about getting started.

### What does the day involve?

The morning involves talks for riders and parents providing an overview and introduction to eventing, followed by a course walk with some of the country's top eventers who will be giving their time for free. After lunch, there will be mounted lessons in small groups to try out some cross-country jumps.

**Venue:** Fourways Riding Centre

**Date:** Friday 16 June 2017

**Time:** 8:30 – 3:30

## Proposed Agenda

<b>8:30</b>	Coffee and registration
