

## ULWAZI FARM

### DIRECTIONS

From Howick, on the N3 take the Hilton off ramp (No. 90).

Turn left and head towards Hilton College, passing Grace College on your left and the new Hospital Development on your right. After 6kms turn left onto District Road 534. Continue along this road for ± 2.2kms.

At the end of the road you will come to a cattle grid, with Terracotta wall, ULWAZI, and gate pillars, No. 11, either side.

Please use gate entrance for large horse boxes (more than 2 berth) and ensure the gate is closed behind you. Two berth horse boxes may use the cattle grid entrance. Proceed up the drive and park alongside and in the driveway paddock, from where it is an easy walk up to the warm up area.

Please follow directions/Parking signs.

From Durban, on the N3 take the Hilton off ramp. Turn right going over the bridge towards Hilton College and follow directions as above.

If in any doubt contact Yvette 0828033440

### PLEASE NOTE

If you are Stabling and arriving on Saturday morning, please come early as once Dressage has Started on we will limit vehicle movement to the Stable block. Please Unbox along the Driveway Paddock in the designated parking areas and bring you horse and car up. You can then bring your box up to the stable block later.

Local Riders not Stabling for the weekend, who arrive early may proceed up the top going past the Show Stables to the paddock @ the end of the sand arena where there is plenty of space under the Plane trees to park if you are sensible!!

Grateful thanks and please enjoy your Weekend.
