PLEASE NOTE:

1. This show will be run under current FEI rules. Course-builders, judges and stewards hold the necessary qualifications and are available to answer any questions you may have on the day.
2. The safety and well-being of the horse is paramount. Therefore, classes will be limited to 3 classes per horse/pony.
3. Correct dress is essential – three-point harness hardhats and correct boots are to be worn at all times while mounted. Body protectors are compulsory for stadium eventing classes.
4. Stadium eventing is made up of approximately 60% showjumping fences and 40% cross country fences. The rules are essentially the same as showjumping, however, should a rider incur disobediences at any fence around the track the penalties are as follows:
1st disobedience – 4 penalties
2nd disobedience – 8 penalties
3rd disobedience – Elimination

In the event of more than one clear round, a jump-off against the clock will take place **over the entire course of fences.**
5. Dogs to be on leashes at all times.
6. Rosettes will be awarded.
7. In the event of inclement weather, the show organisers will reschedule and advise all competitors of new dates.
