The team competition will be run at 80cm (Africa Shield)

South Africa will select and enter a team in the competitionin Namibia subject to the availability of suitably qualified riders and horses. We invite all suitably qualified riders and horses that intend to enter this show and travel to Namibia with their own horses-in the relevant grades and make themselves available for selection to please submit the attached document to Lana at ESA.

There is a possibility that loan horses will be available from the host nation, however riders that take their own horses will have preference in selection for the team.

Last year the team hired a “Team Bus” and we all did some sight-seeing and team bonding which was a highlight. The Namibian eventers are very hospitable and the “Otji” show is a highlight on the Africa Cup Calendar. The transport of horses might be done via Clinton Grossetfrom TAC Transport if there are sufficient horses.

Further information regarding the costs and travel arrangement will be made available to all riders that submitted the Expression of interest.
