PROCESS OF VALIDATION OF HORSE PASSPORTS

Please note that with immediate effect the SAEF and SAEF passport agents will no longer do the checking of VACCINATIONS in passports. This was a decision taken by the SAEF EXCO.

The process will now be as follows:

1. SAEF and SAEF passport agents will issue a passport on receipt of a fully completed application form.
2. The applicant will then take the passport to his/her veterinarian for completion of the horse identification page in the passport and the veterinarian must stamp and sign the identification page as required.
3. The applicant will then return to the SAEF office or SAEF passport agent who will upon presentation of the passport, stamp the identification page as well as the owner page.

We would like to remind you that the onus lies on you as a responsible rider/owner of a horse to ensure that the necessary vaccinations are done and up to date.

We trust that you find this in order and rely on your cooperation with the new process.

Kind Regards

Wessel Strauss
