CHAIRPERSON REPORT

I start off on a very sad note. One of our most supportive Members Treloar Childs passed away after a short illness recently. Treloar will leave a big gap in our sport as aside from her expert farrier-ship, she was a valued member of Sunshine Coast and was always supportive of every clinic and event we ran. Sincere condolences to her Mum Isabella and family.

Although 2019 has been another challenging year for the Eastern Cape, we are going from strength to strength culminating in awesome lower grade entries in the Eastern Cape Champs which hopefully in the years to come will grow into bigger entries in the bigger classes. We have also been blessed having a security firm called Omega who really bend over backwards for us even sending a truck equipped roving cameras (at no charge) as well as top class security for us over the period of the show. Thank you Omega

We were again challenged in 2019 with few higher grade entering our events. Unfortunately our sport is expensive but there is nothing like eventing and the Eventers are the most fantastic people. We do try in the Eastern Cape to keep entry fees reasonable and will continue to grow our ground roots levels in the hopes that the bug will bite and these competitors will move up the grades.

Hosting unaffiliated shows has been difficult this year as the calendar has been very full and I am sure the next year will be similar. But we have managed to host a very successful dressage challenge as well as arena eventing and practice jumping Next year we hope to host a show jumping league together with the Dressage League as well as Arena Eventing and Practice Jumping. Please support these initiatives.

We have had Patrick Brown down to give very enthusiastic participants dressage and xc clinics which are always well supported and have had various clinics run by committee members which have also been very well supported. Thank you members. We also ran a very successful Race Day at Fairview Racecourse together with PE Polocrosse. Sunshine Coast made R17 100 profit. Wow awesome stuff!! This was put towards upgrading the pens at Polocrosse. We also did a lotto application via our expert Maureen Andreka. We were awarded a total of just over R100 000 to be dispensed through various stipulated categories. A VERY BIG THANK YOU to Maureen.

We are very excited that East London is keen to start up eventing next year - asking for a date to host their first official eventing show. They have had a few training days and we are all hoping that their numbers will consistently grow. Well done Charlette Bekker and Maddy Booyesen. We will support you as much as we can. It is always fabulous to have a new venue - thank you Helen Grapes and Eleni Pullen for all the effort you put in to keeping the sport growing.

Once again I would like to take this opportunity to thank all our sponsor. You guys are absolutely awesome and we really appreciate your support. This year our main sponsor is Tavcor Commercial - be sure to check out their jump and also support the competition between "The Car that parks a horsebox by itself: and Kate Peskens manually parking a horsebox - should be loads of fun. Also if anyone buys a Car from Tavcor either VW or Suzuki and mentions one of the Sunshine Coast Committee members to Henry de Beer, Sunshine Coast will be given a "finders fee". Awesome incentive - Thank you Tavcor!

Other sponsors include Giraffe View (a night fr four), Equifeeds, Moringa Green Gold, Le-Roy (Nicky Wright). Unicorn Tack, Equine-Librium, Acclimitise, Antoinette Matteus, Principal Plastics, Laros Pilates, Oakhurst, Ascot Stud, Mary Reeks, Mandy Cadman and Addo Wildlife. Thank you all so very much we couldn't do this without your continued support.

To finish I would like to thank my Committee. Always ready to jump in and help in any possible way and at short notice. Kate Peskens, Gareth, Kate Roberts, Janice, Belinda, Helen, Fiona, Darrell, Eleni, Jackie, Maureen and Tracy. You guys are just Special. Thank you - your commitment and willingness is just awesome.

for HORSE & RIDER

Green Gold Moringa Equine food is an essential amino acid metabolite and is responsible for the flow of oxygen and nutrients through the cells in the body.

GGM Equine food traditionally provides a daily dose of micro-nutrients, minerals, trace elements, Phenylalanine, vitamin B1, B7, Magnesium, Selenium and other vitamins to meet the elevated demands imposed on the equine athlete by stress of endurance and competition. Muscle levels of L-Carnitine determine the exercise capacity of the muscles. L-Carnitine forms the essential transport system for use of fats for energy. Supplementing L-Carnitine results in improved energy supply, decreased lactic acid build up and consequently, an increase in maximum work output.
