

COVID-19 QUESTIONNAIRE Date: _____

The safety of our members, employees, their families and all visitors remains our overriding priority. As the Covid-19 outbreak continues to evolve and spread globally, we are guided by the South African Department of Health, the Centre for Disease Control and Prevention and the World Health Organisation as to the protocols needed to minimise the risk of spreading the virus.

Please will every driver fill in this questionnaire - one for every vehicle that comes onto the property - and ensure that all passengers, grooms and coaches in the vehicle or horsebox also fill in the form.

Please print it out and have it ready to hand to the Covid-19 Compliance Officer at the entrance gate. He/she will take the temperatures of the vehicle occupants which you must record on the form before handing it in to him/her.
