SA Adult Eventing Championships 2024

Message from the Event Organizers

Dear SA eventers,

We at the GRC are honoured and excited to be hosting the Discovery SA Adult Eventing Championships 2024. It is tremendous that this competition is being hosted in the Western Cape.

A very warm welcome to all the competitors, officials, supporters and grooms that have committed to attend the Championships. To those that have travelled from afar to support us, including our FEI TD Sarah Verney from England - we are honoured to have you here!

To all the committee members, volunteers and paid staff that have worked so hard to help make the competition a huge success, I thank you. It is noted and appreciated by us all.

We hope that you enjoy the competition as well as the social events we have planned for you in George and in the Garden Route. As I write this letter it is pouring with rain, however it seems as though the weather gods will play along for the duration of the competition. As most of you know, this is not always a guarantee in George!

Jake Crowther
GRC Chairman

SA Adult Eventing Championships 2024

Message from the President of Eventing South Africa (ESA)

A hearty welcome to all our competitors, their families and connections, to our sponsors and of course, the many officials that make the show possible.

This event is the culmination of a great deal of preparation and hard work, both in the lead up to the event, and over the weekend of the event.

I salute all those who have contributed to making this the ultimate event in our season. From the organising committee and George Riding Club, to the officials who graciously give up their time to support our sport and the athletes who with their coaches and family have worked hard to prepare for this weekend, I extend my heartfelt gratitude. I wish all involved a great weekend of sport.

May you all have great rides, come home safely and thoroughly enjoy your weekend.

Charles Du Sautoy
President of Eventing South Africa (ESA)
