A WARM WELCOME

Dear Competitors, Families and Supporters,

It is with immense pride that I welcome you to Treverton Equestrian Centre for the 2026 South African Eventing Championships.
Having last hosted this prestigious event at Treverton Equestrian Centre in 2011, it is a privilege to welcome the South African eventing community back, fifteen years later.

Preparing for a championship of this scale has been a tremendous team effort.
To my team, thank you for your dedication and for helping bring my vision to life. To our sponsors, Eventing KZN and Eventing South Africa, we are grateful for your support and for the trust placed in us to host this event.

To every competitor and family who has made the journey here, your support is especially appreciated. We recognise the significant investment of time, money and effort that competing requires, particularly in the current economic climate. Your commitment to your horses and our sport does not go unnoticed.

May this championship be about more than results. May it celebrate the partnership between horse and rider, the courage to face challenges, the spirit of sportsmanship and, above all, our shared love of the horse.
I hope your time at Treverton brings wonderful memories, lasting friendships and moments to be proud of.

Welcome to Treverton. Welcome to our home

Super Astro Spero

K'li

On behalf of Eventing South Africa, I would like to say how delighted we are that Treverton School are running our SA Eventing Champs 2026. Treverton has a long history of running really great shows over many years.

The support of the competitors, the officials, the spectators and of course sponsors is essential for Eventing to function. I would like to wish Kean Broom (Treverton's Headmaster), K'li Scott and all her team the very best for this weekend.

Robyn Thomas- President Eventing SA
